Normally the project needs the following basic Machinery costing about Rs 7.5 Cr.

- Dehumidifying and drying system for PMMA raw material,
- PMMA acrylic laminating sheet extrusion line 1220mm width 1-2.5mm thickness
- PMMA sheet surface high gloss and hardness treatment coating line
- PMMA acrylic sheet decorative film laminating machine

The project leaves scope to make 17 to 20 Cr. per year on very Safe side calculations.
